## INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF LIONS FOOTBALL CLUB LIMITED

### **Report on the Audit of the Financial Statements**

#### Opinion

We have audited the financial statements of **Lions Football Club Limited** (the Company), which comprise the balance sheet as at 31 December 2019, and statement of comprehensive income, statement of changes in equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2019 and of the company's loss and cashflows for the year then ended;
- have been properly prepared in accordance with Gibraltar Financial Reporting Standards;
- have been prepared in accordance with the Companies Act 2014.

#### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Responsibilities of the director for the financial statements

The directors are responsible for the preparation of financial statements that give a true and fair view in accordance with applicable law in Gibraltar and Gibraltar Financial Reporting Standards, and for such internal control as the director determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the director either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists.

## INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF LIONS FOOTBALL CLUB LIMITED – continued

### Auditor's Responsibilities for the Audit of the Financial Statements - continued

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional 5kepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the director.
- Conclude on the appropriateness of the directors' use of the going concern basis of
  accounting and, based on the audit evidence obtained, whether a material uncertainty exists
  related to events or conditions that may cast significant doubt on the Company's ability to
  continue as a going concern. If we conclude that a material uncertainty exists, we are
  required to draw attention in our auditor's report to the related disclosures in the financial
  statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions
  are based on the audit evidence obtained up to the date of our auditor's report. However,
  future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the director regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### 3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Turnover

Membership fees, rental income from concessions granted for the operation of the 'The Den' (restaurant/bar situated in the Club's premises) and income from functions and events organised by the Club are accounted for on an accrual basis.

Income from Club's sponsorships and advertising are accounted for on an accrual basis. Sponsorship monies received that are attributable to a particular team for a particular season are recognised in the profit and loss account as revenue on a time apportioned basis over the football season. Amounts in relation to periods after the balance sheet date are carried forward on the balance sheet as deferred income. Where the company is entitled to receive funds from events that occurred during the year, these are accrued as income and a corresponding debtor is set up.

Other income relates principally to revenues generated by the juke box and slot machine held within the Club's premises. This income is accounted for on an accrual basis.

### <u>Expenditure</u>

Expenditure is accounted for an accrual basis.

#### Tangible assets

All tangible assets are initially recorded at cost.

### NOTES TO THE COMPANY ACCOUNTS - continued

### 3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued

#### Depreciation

Depreciation is provided on all tangible fixed assets at rates, calculated to write each asset down to its estimated residual value on a straight-line basis over its expected useful life, as follows:

Sports equipment	over 3 years
Other equipment	over 3 years
Motor Vehicles	over 3 years
Furniture, fixtures and fittings	over 5 years
Leasehold improvement	over 5 years

#### Impairment

Assets are subject to an impairment review if there are events or changes in circumstances which indicate that their carrying amount may not be recoverable in full. The impairment review comprises a comparison of the carrying amount of the assets with their recoverable amount, which is the higher of net realisable value and value in use. The carrying value of an asset is written down by the amount of any impairment and this loss is recognised in the statement of comprehensive income in the year in which it occurs. If an external even gives rise to the reversal of an impairment loss, the reversal is recognised in the statement of comprehensive income by increasing the carrying amount of the asset in the year in which it occurs.

The carrying amount of the asset will only be increased up to the amount that it would have been had the original impairment not occurred.

#### Foreign currencies

Transactions in foreign currencies are recorded at the rate ruling at the date of the transactions. Monetary assets and liabilities denominated in foreign currencies are retranslated at the rate of exchange ruling at the balance sheet date. All differences are taken to the statement of comprehensive income.

#### 4. EMPLOYEES INFORMATION

The average number of employees employed during the year was nil (2018: 3) represented entirely by football players for the Club.
